

# GUIDE TO THE ONLINE PROGRAM

The detailed program of ENCIT 2022 is available on the event hotsite at:

[https://abcm.org.br/events\\_online/CIT22/login](https://abcm.org.br/events_online/CIT22/login)

You can also use the QR Code below to access the hotsite.

Login and password are the same used for registration in the congress.

The screenshot shows the login interface for ENCIT 2022. It includes a header with the event name and a sub-header indicating it is the 19th Brazilian Congress of Thermal Sciences and Engineering. The login form contains fields for 'ABCM USERNAME:' and 'PASSWORD:', a 'REMEMBER' checkbox, and a 'SUBMIT' button. A link for 'Forgot your password?' is located at the bottom of the form.

Scrolling down the first page, you will find the event KEYNOTE Lectures and the PROCEEDINGS ENCIT 2022, with all articles organized by symposia.

In the PROCEEDINGS ENCIT 2022 you will find a search box to search for authors or papers.

Clicking on the PROGRAM button and you can navigate through the lectures and presentations.

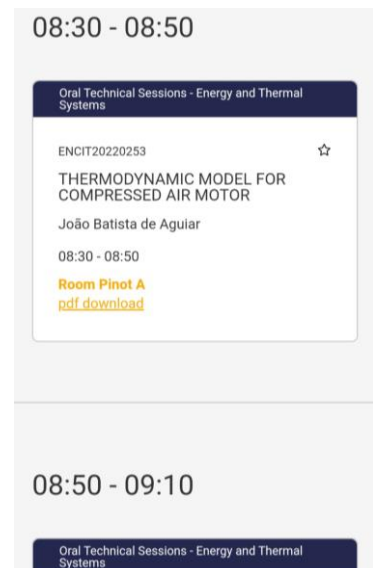

On the conference program page, you can use the filters by *Area of Interest* and/or by *Presentation Type* (green buttons at the top) to find information about specific symposia or lectures each day. Note that the filters are additive and allow for many combinations.

Firstly, select the day and then apply the desired filters. The presentations are shown by scrolling down the page.

With no filters applied you can see all events happening simultaneously.

Each presentation is shown on its day and time. All articles are available in pdf format for download.

You can click on the star, beside the article number, to include the presentation in your personal schedule.

Clicking on the top-right menu  you can access the MY SCHEDULE button, where you will find all your selected events.

We hope you enjoy the congress!
